

Welcome To Community Partners!

Dear CP Prep Parents,

Hi! I am Connie Villalpando, PTA President of CP Prep School. I have some awesome news. CP Prep School has been given the opportunity to partner with Albertson's Community Partners Programs where giving back to youth one shopping cart at a time is easy! Each time you shop at Albertson's, have the attached barcode with your purchase and CP Prep will earn at least 1% on every qualified purchase.

The cards are free! Get one for the entire family! Need more cards? Simply stop by the front desk at CP Prep and get one for your family, neighbors, and friends!

Thank you for your support!

Connie Villalpando
