WHO ARE WE?

Children's Palace Preparatory School Parent Teacher Association or PTA was founded in 2005 by one parent wanting to make a difference and take a proactive role in their child's education. CP Prep PTA exists to provide services and resources to parents, teachers and children and to continue to promote quality improvement in school and education system to allow our children quality education and skills to achieve high standards. We invite you to join this amazing movement!

Our Goals

CP Prep PTA would like to provide resources and financial assistance to our children, teachers and school through fundraising and building awareness and relationships.
